INDEPENDENT ACCOUNTANTS' REVIEW REPORT

Board of Directors
Thorne Nature Experience
Boulder, Colorado

We have reviewed the accompanying financial statements of **Thorne Ecological Institute dba Thorne Nature Experience** (a Colorado nonprofit corporation), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management’s financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

**Management’s Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

**Accountants’ Responsibility**

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

**Accountants’ Conclusion**

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

**Report on Summarized Comparative Information**

We have previously reviewed Thorne Nature Experience’s 2014 financial statements and in our report dated April 23, 2015, stated that based on our procedures, we were not aware of any material modifications that should be made to the 2014 financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America. We are unaware of any material modifications that should be made to the summarized comparative information presented herein as of and for the year ended December 31, 2014, for it to be consistent with the reviewed financial statements from which it has been derived.

THORNE NATURE EXPERIENCE
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015

NOTE 1 - NATURE OF ACTIVITIES

Thorne Nature Experience (Organization) was incorporated as a non-profit corporation in the state of Colorado. Thorne Ecological Institute dba Thorne Nature Experience has been granted tax-exempt status from the Internal Revenue Service in accordance with section 501(c)(3) of the Internal Revenue Code. The Organization’s mission is to build Earth Stewardship by connecting youth to nature through joyful, place-based, hands-on environmental education experiences. The Organization’s activities are based in Boulder, Colorado and primarily consist of youth education programs. The Organization is primarily supported by program fees, foundation awards, and individual and board contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PROCEDURES

1. Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

2. Basis of Presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

3. Cash and Cash Equivalents

The Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

4. Donations

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities, as net assets released from restrictions.

The Organization reports gifts of land, buildings, and equipment as unrestricted support unless the explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent donor stipulations regarding how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.
5. Capitalization and Depreciation

The Organization follows a practice of capitalizing all expenditures for furniture and equipment in excess of $1,000. The fair value of donated assets is similarly capitalized. Depreciation of furniture and equipment is provided over the estimated useful lives of the respective assets on a straight-line basis.

6. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

7. Income Taxes

The Organization has received an Internal Revenue Service exemption from federal income taxes under Section 501(c)(3). Accordingly, no provision or liability for income taxes has been provided in the accompanying financial statements. The Organization’s Federal Return of Organization Exempt From Income Tax (Form 990) is subject to examination by the IRS, generally for three years after filing.

8. Functional Reporting of Expenses

For the year ended December 31, 2015, the costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

9. Summarized Prior-Year Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization’s financial statements for the year ended December 31, 2014, from which the summarized information was derived.

10. Fair Value Measurements

The Organization is subject to the provisions of the Fair Value Measurements and Disclosures accounting standard. This standard requires the use of a fair value hierarchy that prioritizes the inputs to valuation techniques used the measure fair value into three levels: quoted market prices in active markets for identical assets and liabilities (Level 1); inputs other than quoted market prices that are observable for the asset or liability, either directly or indirectly (Level 2); and unobservable inputs for the asset or liability (Level 3).

11. Subsequent Events

Management has evaluated subsequent events through April 25, 2016, the date the financial statements were available to be issued.
NOTE 3 - ACCOUNTS RECEIVABLE

At year-end, accounts receivable consists almost entirely of contracts with schools. Management has evaluated these items and does not believe an allowance for doubtful accounts is needed.

NOTE 4 - PLEDGES RECEIVABLE – PERMANENTLY RESTRICTED

The Organization has received pledges receivable from individuals as well as foundations restricted to the Oak Thorne Vision Fund (Note 6). Management has evaluated these items and does not believe an allowance for doubtful accounts is needed. Management also believes a present value discount would not be material to the financial statements. At year-end, pledges receivable were:

<td>Total</td>
<td>$ 92,100</td>
</tr>
</tbody>
</table>

NOTE 5 - INVENTORY

Inventory, valued at the lower of cost or market consists of branded apparel and clothing held for sale to the public and use in organizational programs.

NOTE 6 - BENEFICIAL INTEREST IN ASSETS HELD BY OTHERS – PERMANENTLY RESTRICTED NET ASSETS

The Organization has established two endowment funds through The Community Foundation Serving Boulder County. The Organization has the option to withdraw annual income as well as principle from the first endowment. However, the original intent of the donors was to keep the funds permanently restricted and for this reason, the Organization has classified them as permanently restricted. Under the terms of the second agreement (Oak Thorne Vision Fund), the Organization has the option of requesting a distribution of up to 20% of the value of the Fund in any year. The balance of these funds at December 31, 2015 was $101,041 and $236,016 respectively.

Additionally, the Organization has established an endowment fund through the Denver Foundation. Under the terms of the agreement, the Foundation shall pay 6% of the market value of the fund, less administrative fees, at least annually to the Organization, unless the Organization declines the distribution. The balance of the endowment investments at December 31, 2015 was $63,086.

Additionally, The Community Foundation Serving Boulder County accepts donations that are designated on behalf of the Organization. The balance of these funds, which is not reflected on the Statement of Financial Position was $9,670 at year-end.
NOTE 6 - BENEFICIAL INTEREST IN ASSETS HELD BY OTHERS – PERMANENTLY RESTRICTED NET ASSETS (Concluded)

Changes in endowment fund balances (Level 3 inputs) as of December 31, 2015 are as follows:

The Organization will transfer this amount to the Oak Thorne Vision Fund in fiscal year 2016. Also, as discussed in Note 4, the $92,100 in pledges receivable are restricted for the Oak Thorne Vision Fund. The year-end endowment fund balance together with year-end permanently restricted cash and cash equivalents, and pledges receivable brings permanently restricted net assets to a total of $522,943 at December 31, 2015.
