

**2022-2023 Environmental Education Corps
Thorne Nature Experience Position Description**

Environmental Educator (School Age)

Program Overview: Led by the Colorado Alliance for Environmental Education (CAEE), the Environmental Education Corps (eeCorps) AmeriCorps Program places AmeriCorps members at organizations throughout Colorado to focus on increasing environmental literacy for PreK-12 students and implementing the goals outlined in the Colorado Environmental Education Plan. eeCorps works directly with teachers, schools, and EE providers to support them in expanding reach and increasing impact of EE programming, while providing access to equitable learning experiences for all PreK-12 students. eeCorps members provide direct service to improve outcomes in Environmental Stewardship and Education. AmeriCorps provides opportunities to improve lives and foster civic engagement all across the country.

About Thorne Nature Experience: Thorne Nature Experience is a non-profit organization located in Boulder, CO that is committed to building Earth stewardship by connecting youth to nature through joyful, hands-on, place-based environmental education experiences. Thorne believes in ensuring access for all youth to discover, explore, and connect to the natural world. Founded in 1954, Thorne has a rich history and has reached more than 250,000 children and adults through its four programs: In-School, Summer Camp, Preschool and Field Trip.

Service Position Summary: The eeCorps member will serve collaboratively with Thorne staff to implement and develop in-school, after school, field trip, and summer camp programs to promote nature connection in area youth.

Essential Functions (Primary Responsibilities): eeCorps members engage with their Host Site organization to develop, implement, and enhance programs, projects, and activities that will create progress towards eeCorps and Thorne's goals. These duties include:

- Teach Thorne's **in-school program** that focuses on delivering science and nature education to low-income youth through three visits to their classroom
- Teach Thorne's **field trip programs** at Sombrero Marsh and various sites. These field trips are designed as a 4th visit to Thorne's In-School Program to get students outside into nature.
- Teach Thorne's **Afterschool Program**. This program is offered at partner schools. We believe these long-term relationships with students help to deepen their connection to nature and enhance science literacy. It runs up to 12 weeks/semester and gets students outside in their schoolyard to learn about science and nature.
- Assist in the development and implementation of community programs to inspire families to spend more time outside together
- Track progress and collect evaluation data for the program's performance measures
- Attend all eeCorps/AmeriCorps trainings, meetings, and orientations
- Complete all eeCorps National Days of Service projects as required
- Complete and submit all necessary eeCorps paperwork and reports by predetermined deadlines

- Some local and out of town travel required, occasional statewide travel possible

Marginal Functions (Secondary Responsibilities):

- Assist School Programs Manager with curriculum development and supply management
- Assist Marketing Manager with social media and marketing campaigns
- Participate in Thorne Nature Experience special events and outreach activities
- Maintain and foster personal nature connection and participate in group nature connection modalities

Physical, Emotional, and Intellectual Demands:

- This position requires the ability to serve outside year-round in various weather conditions.
- Educators must be willing to self-reflect, and change and adapt strategies in order to best support diverse populations of school age children
- Strenuous physical activity with up to 30 lbs of supplies transported short distances

Qualifications:

- Experience working with school age children in an informal and outdoor setting
- Strong communication skills with adults and children
- Some knowledge of Colorado ecology and natural science; desire to learn more
- Ethic of national and community service and a strong desire to create positive change
- Ability to communicate effectively both verbally and in writing; computer literate especially MS Office suite (Word, Excel, and Outlook) and Google Drive
- High School Diploma or GED required, college graduate preferred
- Ability to pass criminal history check (required)
- Reliable transportation & proof of auto insurance
- U.S. Citizenship or lawful permanent resident status required
- Spanish speaking candidates desired
- Experience relating to and communicating with diverse audiences, especially Mexican American participants and families preferred

Term of Service: This is a Full Time national and community service position requiring a minimum completion of 1,700 hours during the term (approximately 40 hours/week). The position begins August 29, 2022 and ends August 4, 2023. Flexible hours are required, including occasional evening and weekend commitments. Member may be required to serve on Days of Service that take place on certain national holidays throughout the year.

Training and Support Provided: eeCorps members receive significant training and experience in community engagement, project implementation, leadership, diverse populations, and more. Up to 20% of total hours served may be spent in applicable, approved training and professional development. Members will be supervised and supported by Maggie Vest Engelman, School Programs Manager at Thorne Nature Experience, as well as by Erin Dreps, eeCorps Program Coordinator. The 2022-23 cohort of eeCorps members serving throughout the region will act as additional resources and support for each other.

Location and Service Conditions: This position is based at Thorne Nature Experience at Sombrero Marsh, 1466 63rd St, Boulder, CO 80303, and may involve service at other locations in Boulder County. Position is direct service, and will involve frequent days outdoors and/or in a school and/or community building.

Benefits:

- A living allowance of \$16,502 distributed biweekly over the term dates. Taxes are deducted and the living allowance is distributed by direct deposit to the member's bank account.
- Health insurance
- Child care assistance, if eligible
- An education award of \$6,495 upon successful completion of term of service.
- It is possible to defer student loans while serving as an AmeriCorps member.
- Mileage reimbursement for travel to required trainings
- Non-tangible benefits include extensive training, valuable experience, networking, and the opportunity to serve the local community in a crucial area of need.
- Ability to participate in regional EE leadership councils; option to obtain CAEE's nationally-recognized Professional Environmental Educator Certification.

Diversity and Equal Opportunity:

Thorne Nature Experience is an equal opportunity organization. Thorne Nature Experience does not discriminate on the basis of race, color, religion (creed), gender, age, national origin (ancestry), physical or mental disability, marital status, sexual orientation, gender variance or expression, or military status, in any of its activities or operations. This Anti-Discrimination Policy applies to, but is not limited to, hiring and firing of staff, selection of volunteers, selection of Board Members, selection of vendors, and provision of services.

The Colorado Alliance for Environmental Education (CAEE) recognizes the value of diversity and inclusiveness to advance environmental education. CAEE defines diversity in its broadest sense and welcomes everyone to the field of environmental education and the Alliance, including but not limited to people of all races, ethnicities, genders, gender expressions, sexual orientations, abilities, ages, national origins, socioeconomic status, religious affiliations, languages, and heritages.
