Thorne Nature Preschool Mission:

To support the holistic development of young children and their relationship to the natural world through joyful, hands-on, place-based, developmentally appropriate experiences that nurture the whole child and foster an emotional connection to nature. Learn more at: www.thornenaturepreschool.org

Job Purpose:

Ensure the well-being of the children in the school year preschool program and 8 weeks of summer camp. Nurture whole child development through supporting children in discovery and engaging with the emergent curriculum that arises from children's play in nature.

Principal Responsibilities:

- As part of a team of teachers, manage daily operations and supervise children in the preschool program (8:30am-1:30pm), 5 days per week (M-F)
- Maintain a healthy, safe, and positive environment for children utilizing nature as the organizing principal for all learning
- Collaborate with the Preschool Team in the development and implementation of daily practices and routines, as well as seasonal, place-based, emergent curriculum that promote early childhood development and deep nature connection
- Observe and document children's progress in the areas of their social, emotional, physical, creative, and cognitive development and communicate with parents about their child's abilities and goals
- Communicate with parents about their child's development and daily experiences, including regular posting of photos and comments using the SeeSaw app and conducting parent-teacher conferences with written reports twice per school year
- Participate in family events and parent education programs
- Ensure the indoor and outdoor learning environments are in good condition to support safe, engaging, rich in experience, and positive child development
- Supervise aftercare at the Lafayette Preschool site 2-3 days/week (1:30-4:30 pm)
- Attend Preschool and Thorne staff meetings, trainings, teacher work and professional development days

Minimum Qualifications:

- Early Childhood Teacher (ECT) qualified. To understand requirements, click [here](#)
- Able to be a positive, supportive, caring adult role model for young children
- Comfortable working outdoors and able to take care of self in all weather conditions, including rain, wind, snow, and hot sunny days
- Experience working with young children and families in a preschool setting preferred
- CPR, First Aid, Standard Precautions, and Medication Administration certified. (Thorne will pay for the time needed to complete and the cost of these certifications)
- Willing to complete all trainings and submit all information and forms needed by Thorne to be in compliance with Colorado Department of Human Services Child Care licensing requirements, including background check and fingerprinting. (Thorne will help and pay for the time needed to complete and these requirements)

Special Requirements:

- Willing to drive students in a Thorne approved vehicle for field trips as needed (Thorne will train).
- Additional time may be required as necessary, including occasional weekend and evening work for family events and trainings.

Desired Skills and Abilities:

- Experienced early childhood teacher
- Ability and desire to support excellent place-based, child-centered, emergent curriculum
- Passion for outdoor experiences and connecting youth to nature
- Knowledge of and desire to learn about nature and Colorado ecology
- Ability to adapt and be flexible with the changing needs of the program
- Excellent communication skills with parents, staff, and children
- Strong decision-making skills to respond to risk management issues, emergencies, or difficult situations
- Good organizational skills and ability to handle multiple tasks and roles, patiently and professionally
- Proficient with MS Office suite (Word, Excel, and Outlook)

Desired Outcomes:

- Exceptional teaching of Nature Preschool Program
- Exceptional communication with parents, staff, and children
- High level of engagement with preschool families in community events
- Achieve 90% or better positive rating of Preschool's ability to reach learning objectives
- High level of engagement as a member of the Thorne Nature Experience team

Desired Behavioral Traits and Attitudes: Leader, team player, collaborative, fun, organized, creative, resourceful, critical thinker, willingness to be vulnerable, results-oriented, and self-motivated. Passionate about Thorne's mission, and environmentally concerned and aware.
